## Project Form

### Describe your project

Name 3 musical influences for your project (bands/artists)

Project Restrictions (Time frame for completion, budget, etc.)

What is the current status of your project? Who is needed, and who is already involved in the project? (Do you have demos, a guitar player, etc.)

Who has creative control and input? Who gets the final say on what?

If your project had no budget/time limits, what would you do? Who are you selling to and for how much? What do you want to achieve?
